What is a Dormant Accounts?

A dormant account occurs when **no deposit or withdrawal** has occurred within a 12 months cycle.

Please remember to keep your account active with Central Soya Federal Credit Union by using direct deposit, having a loan or making a deposit to your account. There must be activity on your account at least **once a year** to prevent a **\$5.00 monthly fee**.

A fee will reoccur each month while account is inactive.

I am thrilled to introduce myself as Central Soya Credit Union's newest teller. My name is Christine Sheets and I have lived in Decatur my whole life. I've been married to my husband, Tim, for 26 years. We have two daughters. Our oldest daughter, Ashley, lives in Indianapolis and works for IU Medical Center. Bryanna, our youngest daughter lives in Decatur, and works for Bluffton Regional. In my free time I enjoy being with family, crafting and quilting.
